Every person's financial situation is different. For this reason we have worked hard to provide a variety of payment options to help you receive the dental care you need and want with respect to your budget.

Dental Insurance

We are happy to submit the claims necessary to see that you receive the full benefits of your coverage. However, we cannot guarantee any estimated coverage. Because the insurance policy is an agreement between you and the insurance company, we ask that all patients be directly responsible for all charges. Please know that we will do everything possible to see that you receive the full benefits of your policy. If for some reason your insurance company has not paid their portion within a reasonable amount of time, you are responsible for payment at that time.

Payment Options

- Cash or Check
- Per visit arrangement: Your treatment can be arranged so that you can pay each phase as you go along during treatment.
- Credit Cards: We accept MasterCard, American Express, Visa, Debit Cards, and Discover
- Care Credit payment plans
- If a check is returned for insufficient funds, there will be a \$35.00 charge

Cancellation Policy

No charge will be made to you for cancellation of an appointment if a 24 hour notice is given otherwise there will be a minimum charge of \$35.00.

Release of Records

A Release of Records form must be signed before any information is release and there is a duplication charge of \$35.00 for x-rays only. However, if the x-rays can be e-mailed to the new dentist, there is no charge.

Furthermore

I understand that any and all of my account balance(s), including balances of my children and/or any person(s) for whom I am the legal guardian, dated over 30 days, will incur interest charges and any and all allowable fees according to Florida state law.
